

On the way back from New Hope, about 10 or 15 minutes closer to Chestnut Hill, is a shopping center on Route 611 called Buckingham Green which contains a delightful BYOB with the whimsical name Just Eat by Brown Gold; the actual address is 4950 Old York Rd. in Buckingham.

Owner Marc BrownGold and his wife, Theresa, are a talented pair who offer lots of locally grown food and change their menu 10 times a year. Prices are quite reasonable, and every Sunday through Friday, and before 5:45 on Saturdays, Marc offers a complete three-course menu for \$30. Since you can bring your own wine, this is a steal.

Some of the dishes we thoroughly enjoyed (from the regular menu) were the cheese plate (Manchego, Humboldt Fog and Cheddar) and the wild salmon entrée with lemon and dill. Very fresh and juicy. For more information, call 215-794-1818 or visit www.justeatbybrowngold.com.
